YOUNG'S SEED HOUSE

1935 Catalog and Price List

To The Trade:

In asking for your seed orders this year, we wish to again call attention first to the matter of quality. The seeds we offer you are grown where conditions are most favorable to healthy growth and maturity, and are absolutely the best in seeds that it is possible to buy. We want our customers to have the best that we can get. All seeds are carefully tested for germination, and only that which proves up to a high standard is sold you.

Regarding prices, we believe the figures quoted in our price list will compare favorably with other houses, and we can save you a little in transportation charges, and give you the seeds when you want them.

We want to ask for your business for 1935 and assure you of careful attention.

Very truly,

THE YOUNG & SONS CO.

All quotations are f. o. b. Hutchinson.

Genuine Cocoos Bent Grass.....	Market Price	

The extra fancy hulled Bermuda Grass Seed we are quoting will germinate in about half the time required for the old type of unhulled seed. One pound will sow about 400 sq. ft. On Kentucky Blue Grass use one pound to 150 to 200 sq. ft. Either Vigoro, or Wizard Pulverized Sheep Manure should be used to afford an ample supply of Plant Food for your lawn. Ask for special circular information on these plant foods.

FOR MASS COLORING—Calendula, Petunia, Star or Drummond Phlox, Salvia Splendens, Snapdragon. Per Packet 5c and 10c.

FOR CUT FLOWERS—Aster, Cosmos, Everlastings, Large Marigold, Drummond Phlox, Pinks, Snapdragon, Zinnia. Per Packet 5c and 10c.

We carry a wide assortment of the justly famous Burrell's Rocky Ford Zinnias, in both mixed colors and separate named varieties.

HIGH ALONG A FENCE—Cosmos, Hollyhock, Giant African Marigold, Sunflower. Per Packet 5c and 10c.

CLIMBERS—Cardinal Climber, Cypress Vine, Morning Glory, Evening Glory, Thunbergia, Wild Cucumber Vine. Per Packet 5c and 10c.

MISCELLANEOUS—Amaranthus, Balsam, Bachelor's Button, Carnation, Cockscomb, Shasta Daisy, Vinca. Per Packet 5c and 10c.

SPRING FLOWERING BULBS

Our collection of bulbs for spring planting includes such favorites as Gladiolus of many named varieties, Dahlias, Cannas, Lilies, Cinnamon Vine, Madeira Vine, Caladium (Elephant Ear), Tuberose. Our bulbs are all of vigorous, selected stock. We do not handle the low priced seconds and small size bulbs.

Our Seeds must please you. Please examine them—test them in any way you wish, and if you do not find them satisfactory, return them to us in ten days and your money will be refunded. We cannot guarantee a crop as so many different factors enter into the making of it, therefore to protect ourselves against situations beyond our control, we sell our seeds without warranty. The Young & Sons Co., gives no warranty, express or implied, as to the description, quality, productiveness, or any other matter of any seeds, bulbs, or plants they send out. If the purchaser does not accept the goods on these terms, they are to be returned at once.

STONETEX LAWN POTTERY

We carry a very nice line of STONETEX Bird Baths, Lawn Vases, Urns, Flower Pots and Jars at prices which are surprisingly reasonable.

ECLIPSE CHARCOAL STOVE & BROILER

For that steak fry or camping trip, one of these little portable broilers will solve the cooking problem.

Small Size \$1.25 Large Size \$2.25

FARM SEEDS

There is so much fluctuation in prices of Farm Seeds that we are unable at this time to quote prices on the various items, that would be good thru the Spring Season, but issue special price lists covering, and will be glad to send current prices on request.

BLATCHFORD'S CALF MEAL

The Perfect Milk Substitute

Blatchford's Calf Meal will raise calves at from one third to one quarter the expense of feeding milk. Raises better calves and saves the milk. You cannot afford not to use it. Used and endorsed by Experiment Stations and Farmers all over the world. It is absolutely the only milk substitute that contains all the elements necessary for bodily growth in the correct proportions. Prevents scouring when fed according to directions.

25 lbs. of Blatchford's Calf Meal makes 25 gallons of perfect milk substitute. 25 lbs. for \$1.35

POULTRY FEEDS and SUPPLIES

MAK-M-GRO BUTTERMILK CHICK MASH with Yeast and Oil, contains Pure Powdered Buttermilk, Dried Skim Milk, Swift's Fine Meat Scraps, Choice Green Alfalfa Leaf Meal, Linseed Meal, Wheat Middlings, Kafir-Milo Meal, Ground Hulled Oats, Pulverized Yellow Whole Corn Meal, Vitamin D Oil, Poultry Yeast, Calcium Carbonate and not over 1% Salt. It is balanced properly for promoting the most rapid, healthy growth in baby chicks. It is amply fortified in Vitamin D content and,

with the addition of yeast, the content of sufficient of the important newly discovered Vitamin G is assured.

SUNSHINE ALL MASH CHICK RATION is balanced somewhat differently from MAK-M-GRO but the same choice grade of materials is used in its preparation. It entirely fills the requirements of the feeder who prefers the all-mash system of feeding baby chicks.

YOUNG'S GROWING MASH with buttermilk takes care of the critical period of the growing season. The quality of your next winter's pullets depends largely on proper care and feeding through this growing season. This feed, with its high content of milk and correct balance of the choicest materials, leaves no feeding need of the growing chick unfilled.

YOUNG'S CHICK FOOD (Chick Scratch Grains) for baby chicks contains a selected variety of grains and seeds, properly balanced, and milled to just the correct size for baby chicks. Nothing but clean, sound, sweet ingredients are used. It contains no grit, and is free from chaff and fine, mealy materials. Can be fed without waste.

YOUNG'S DEVELOPING GRAINS is a slightly coarser sized scratch feed which should be used when chicks have reached an age of about six to eight weeks. The same high quality materials are used as in the baby chick size.

MAK-M-LAY Buttermilk Egg Mash is known to thousands of successful poultry feeders in Western Kansas and bears a reputation for money-making egg production which is not equalled by any other feed of its kind which reaches this market. Actual feeding tests have repeatedly shown that MAK-M-LAY will produce eggs at lower feed cost per egg than ANY OTHER FEEDS.

YOUNG'S HEN SCRATCH GRAINS is a well balanced scratch feed containing only re-cleaned whole and steel cut grains of the highest quality. No grit, chaff or fine stuff. Market Prices.

MAK-M-FAT POULTRY FATTENER contains the right food elements in the correct proportions to make the quickest and greatest gains in weight. Will absorb milk very freely.

These feeds are packed in 25-lb and 100-lb. new white cotton bags.

ASK FOR PRICES

SWIFT'S HIGH GRADE MEAT SCRAPS

Swift's Meat Scraps supply the kind of Animal protein that increases egg yields. Make your poultry feeding more profitable by feeding for maximum egg production. Nothing in the ration will take the place of high grade animal protein. Swift's Meat Scraps are everywhere the standard of quality. Get the best—it is cheaper in the long run. We handle both Swift's Meat Scraps and Swift's 60% Digester Tankage, in car lots and can always quote very low prices.

HOG, DAIRY & MISCELLANEOUS FEEDS

Our large storage warehouse capacity and our modern equipment for doing every kind of grinding, together with the advantage of purchasing practically everything in the poultry feed and supply line in carload quantities, enables us to make you money-saving prices on the following items:

Monarch Steel Cut Yellow Corn
Pulverized Heavy Oats
Ground Oat Groats (Oat Flour)
Cologreen Fine Poultry Grade Alfalfa Meal
Alfalfa Leaf Meal
Swift's Poultry Bone Meal
Pilot Oyster Shell, Hen or Chick Size
Powdered Limestone (Calcium Carbonate)
Semi-solid Buttermilk

Pure Dried Buttermilk
Kraco Milk Sugar
Biotol (Tested) Sardine Oil
Swift's High Grade 60% Tankage
Swift's Steamed Bone Meal 65% phosphates
Old Process Linseed Oil Meal, 34%
Corn Gluten Feed
Soy Bean Meal
Big 10 Pig Meal
Molasses Feeds
Dairy Feeds

Nopco Cod Liver Oil (Biologically tested)
Pulverized Yellow Corn Meal
Rolled Oats

Golden West Shellmaker, Hen or Chick size

Semi-Solid, or Condensed Buttermilk
Cottonseed Pea Cake, or Nut Cake, 43%
Cottonseed Meal and Screenings, 43%
Alfalfa Meal, all grades
Charcoal, for Stock Mixtures
Trinity Mixture (Corn Balancer) for Hogs
Black Strap Molasses in Barrels

SPECIAL FEEDS

WESTERN MINERAL MIXTURE—This is the simple mineral mixture recommended by practically all of the leading Experiment Stations. Is made from Bone Meal, Calcium Carbonate and Salt, and supplies all the mineral elements required by poultry, Dairy Cows, Meat Animals and Hogs. For Poultry, use up to 5 lbs. per 100 lbs. of feed. For Dairy Cows, use 3 lbs. per 100 lbs. of Ration. For Cattle Fattening, use 3 to 3½% of Ration. For Hogs, use 2½ to 3% of the Ration. Price \$1.50 per cwt.

YOUNG'S COMPLETE RABBIT RATION: contains all the food that Rabbits require. It is a complete feed, and nothing need be added to it. **YOUNG'S RABBIT CONCENTRATES**: contains the highly concentrated feeds that bring the greatest development. To be mixed one part concentrates to four parts rolled oats. A very popular formula with the Fancy Rabbit Trade.

YOUNG'S HIGH GRADE PIGEON FEED: contains Canada Field Peas, Wheat, Milo, Kafir and Mammoth Millet; this mixture is the favorite with Pigeon Breeders all over the country.

POULTRY AND LIVESTOCK TONICS AND REMEDIES

GEO. H. LEE'S LINE—Our very complete stock of this popular line includes Gizzard Capsules, Lee's Insect Powder, Liquid Lice Killer, Vapo-Spray, Hog Oil Wormer, Flu-Koff Emulsion, the Old Standard Germozone, and Dip and Disinfectant.

DR. HESS LINE—Dr. Hess Pan-A-Min (formerly Pan-A-Cea). Dr. Hess Stock Tonic, Dr. Hess Roup Tablets, Dr. Hess White Diarrhoea Tablets, Dr. Hess Healing Powder, Dr. Hess Heave Remedy, Instant Louse Powder, Dip, Dr. Hess Fly Chaser and Dr. Hess Hog Special.

CONKEY'S LINE—Conkey's Y-O, the famous yeast-cod liver oil supplement, Poultry Tonic, Old Reliable Roup Powder and Pills, Cholera Remedy, Head Lice Ointment, Rheumatic Remedy, Poultry Laxative, Blackhead Remedy, Chicken Pox Remedy, Gape Remedy, Scaly Leg Remedy, Lice Powder, Nox-I-Cide Disinfectant and Conkey's Fly Knocker.

PEAT MOSS FOR POULTRY LITTER

Absorbs ten to fifteen times its own weight of moisture. Better than straw. Keeps houses dry and sanitary. Reduces fire hazard, as hot coals or ashes will not ignite the litter. It will smoulder and go out. Checks disease spread because germs cannot develop in Peat Litter as there is nothing for them to feed on. Will last all thru the brooding period without being renewed.

One bale will cover about 350 square feet one inch deep.

Per bale (about 125 lbs.)-----\$2.50

Fertilizers, Seed Disinfectants and Inoculators

Experienced gardeners find that VIGORO gives sure results—a quick vigorous start—and sturdy development of vegetables, flowers and lawns. Clean and odorless, VIGORO is not to be compared with ordinary plant foods. Enough concentrated nourishment in a 100-lb. bag for garden or lawn 50x75 ft.

5 lb. Package, Each-----\$.50
25 lb. Bag, Each-----1.50
50 lb. Bag, Each-----2.50
100 lb. Bag, Each-----4.00

WIZARD BRAND SHEEP MANURE

Wizard Brand Pulverized Sheep Manure is thoroughly dried and finely pulverized. 100 lbs. of WIZARD has as much fertilizing value as a big wagon load of well rotted manure. WIZARD is heat-stabilized and guaranteed to contain **NO LIVE WEED SEEDS.**

25 lb. Bag-----\$1.00
50 lb. Bag-----\$1.50
100 lb. Bag-----\$2.50

PEAT MOSS FOR LAWNS AND GARDENS

Spread from one to three inches of Peat Moss over the soil and work in thoroughly. This added humus will give the soil a much better holding capacity for retaining rainfall, or other moisture. Prevents heavy soils from quickly drying out and forming surface crust. Mulch flowers, vegetables, fruits, roses, peonies, shrubs, hedges, keeping them surrounded with a two to three inch mulch of Peat Moss.

For Potted Plants, mix about one-third of Peat Moss with your soil. This will keep the soil moist, light and prevent crusting. Used by all Florists.

25 lbs.-----\$.85 Per bale (About 25 lbs.)-----\$2.50

We also handle in carlots Swift's Steamed Bone Fertilizer 1 1/4—29—0, Nitrate of Soda, Ammonium Sulphate, Swift's Truck Garden Fertilizer and Tomco Fine Ground Lawn Limestone.

STIM-U-PLANT, the plant food in tablet form, in 15c and 25c pkgs. 1000 tablets in bucket-----\$3.50

NITRAGIN, the original legume inoculator. For Alfalfa and all Clovers, Peas, Beans.

1/2 bu. size--\$.35 1 bu. size--\$.65 2 1/2 bu. size \$1.40

GARDEN NITRAGIN for Sweet Peas, Peas, Beans. Each--\$.25

URBANA CULTURE. This splendid inoculator is applied moist by the sure and proven method. For Alfalfa, Clovers and other small seeds. For 1 bu. Seed, Each-----\$.50

INSECTICIDES and FUNGICIDES

EVERGREEN Non-Poisonous Insecticide is effective against Aphis, Thrips, Moths and larvae, Leaf Hopper, Rose Insects, Red Spider and Mealy Bug, but offers no poison danger to human beings, livestock or birds. It is NOT A POISON.

1 oz. Bottle--35c 6 oz. Bottle--\$1.00

16 oz. Bottle--\$2.00 1 Quart--\$3.50

BLACK LEAF 40 (Nicotine Sulphate) containing 40 per cent free nicotine, is one of the strongest insecticides on the market for killing Aphis or Plant Lice, Psylla, Thrips, Leaf Hoppers, and all sucking insects.

BLACK LEAF 40 is also highly effective in killing POULTRY LICE and MITES.

POWERFUL B-K GERM KILLER

B-K (Bacili-Kil) is a very powerful Germ Killer. Not a poison, but is ten times more powerful as a germ killer than carbolic acid. Destroys germs almost instantly on contact. B-K is a concentrated sodium hypochlorite product. Clean, odorless and a deodorant.

FOR POULTRY. B-K is the most widely used germicidal agent. Feeding B-K in the drinking water at all times is very important to prevent the spread of disease. Can be used without danger to mature birds, or baby chicks. Prevention of disease is cheaper and easier than cure.

DAIRY USE. The foundation of success in the production of milk is to maintain sanitary conditions. B-K is the ideal solution for sterilizing and deodorizing.

Simple and economical to use. You don't have to bother to heat water. Just make your dilution with cold water according to directions. This will give you for $\frac{1}{2}$ to 3c per gallon a rinse that will thoroughly sterilize your utensils and assure you of clean milk. B-K has been recognized by milk-producers everywhere for the last 20 years as the leader in this field.

HOUSEHOLD USE. B-K has many household uses which are thoroughly set out in literature which is yours for the asking. B-K has many imitators. Play safe and use the old original tried and proven B-K.
